UNDERSTANDING THE BASIS: PART ONE

TRANSCENDING FROM HAPPINESS TO JOY

The whole concept of this book is for you to understand that the joy of the Lord is essential for your advancement and spirituality. If you claim to understand that joy is essential, there is a clear difference between happiness and Joy. Happiness is gotten through the physical, when you get something and gladness leaps in your heart. For example when you buy a car, or got a house or got married and suddenly you are so glad for what you just got that is happiness.

Happiness is created by happenings. In other words, the inward feelings that Sparks within you when you are elevated or promoted, when you are appreciated or awarded, when you are given money or materials is what is known as happiness. I have discovered that when you lose what you got or couldn't get what you desire, you may eventually lose happiness. Just as happiness can be gotten, it can be lost too.

You've got to know that happiness is emotional while joy is spiritual. The best men can do is to make you happy but only God can make you joyful. It takes the functionality of the Holy Spirit and grace on a man to make another human joyful. The reason a sorrowful person can be joyful when another man speaks to him

or her is because the Holy Spirit and grace of God is at work in that person. Unbelievers can make you happy by giving, doing or saying something to you, but only believers who corporate with the Holy Spirit can make you joyful.

When you are so glad and not because of what you got, but you choose to be so glad not because of any physical thing, but because something rises on your inside that is joy. Happiness is the product of the physical while joy is of the spiritual. And the real focus of “Breaking Joy code” has to do with looking at scriptures and trying to find out what scripture says about certain things. That is the whole essence of this writing; it is just to discover what scriptures says concerning joy.

BREAKING JOY CODE EXEMPLIFIED

It's time to dive into scripture to see what the Lord says about joy because the knowledge of the Lord is the word of God. The code to break is about reading certain scriptures and seeing what it means and ably apply it.

Breaking code from scriptures is about looking into scriptures and finding out the meaning and application of scriptural verses that are illuminated to our soul. It is by breaking codes from scriptures that we enter into the manifestation of God's intention for the verse.

Scripture has a lot to say about joy. In fact, happiness can also be seen in scripture. You've got to know that happiness is earthly but joy is from heaven. There is no happiness in heaven, there's only joy in heaven. God and angels are not happy over a soul that is saved, they are joyful. We should be partakers of the heavenly substance known as joy. When scriptures are unveiled to us, joy will break out of our spirit.

As the code will be unlocked, I want you to know that happiness is of the soul while joy is of the spirit. If you are happy, you are functioning from your soul but when you are joyful, you are flowing from your spirit. Just as sorrow can be in the soul, so it can be in the spirit. Happiness dissolves the sorrow of the soul while joy dissolves the sorrow in your spirit. There's nothing physical or material that can make you joyful, only God does.

WHAT IS JOY?

The definition of joy from many dictionaries is wrong. Joy is not happiness as some lexicon described it. Actually, the definition of joy in many dictionaries is simply the definition of happiness.

Joy is an ocean of divine excitement and motivation that resides and flows out of God's. God also get excited. This excitement that God created and experience is what we refer to as joy. God doesn't get happy, He is joyful. In other words, happiness belongs to man but joy belongs to God and His angels. What a joy to know that all believers have the privilege to participate and receive God's joy.

Psalm 30:5 says "God's anger is but for a moment..." Definitely, God can get angry. But the fact is that whenever God is angry, He never loses His joy. God's joy doesn't go and come back. His joy dwells in Him forever. God may be angry but can never be sorrowful or depressed. I read a particular translation of the Bible they says God is sorrowful over a person. I had to study the root word and I discovered that what that simply meant was that God was displeased. God cannot have sorrowful, sadness, depression, pain, hurt because His joy remain consistent within Him. Joy and any of the elements mentioned cannot dwell together.

Pressure of life are real. It takes joy to overpower the pressures of life. Joy is that irresistible force that makes what is considered pressure to be nothing to you. You cannot be joyful and be pressured. Depression sets in because joy was absent. You may fail, but if joy remain in your heart, failure cannot set into your heart. And whatever hasn't enter your heart, cannot enter your life.

Joy is a supernatural element that makes people superhuman. It propels you to do what you have never done before. Everyone needs to remain energetic, strong, motivated, excited like God regardless of what happens or doesn't happen around us. It is joy that gives inward stability. Your heart becomes stable when your joy is intact.

Scripture reveals that it's with joy you will draw waters (revelations, divine abilities) out of the rivers (scriptures, abundant riches) of salvation (Isaiah 12:2-3). The rivers of salvation are different verses in scripture that can God can use to talk to you. The waters you will draw out from those rivers (verses) are revelation. It takes joy to access revelation of anyone or anything in scripture. Without joy, you cannot access the revelation of God from scriptures. Without joy, you cannot bring out revelation from scriptures.

Do you know that a sorrowful or depressed heart cannot get revelation out of scripture. That's the truth. In accessing revelation, joy is a requirement. Anytime you are depressed or sad, before you attempt to read the scripture, open your mouth loud to praise or worship God. As you do, joy will flow out of your heart and then, you can proceed to read the scripture before you. Your eyes can't be opened neither your ear be opened to hear when sorrow or depression is in your heart.

Sometimes, when the devil shout arrows from the spirit world

to a person, the arrow may translate into sorrow or depression. Many people are sorrowful and depressed because an arrow was shot against them. This is where prayer comes in. You have to command every arrows of sorrow or depression to get out of you so that your heart can be free to receive joy.

It's very possible to have the Holy Spirit within you and have depression in your heart at the same time. Many tongue lashing believers are full of sorrow and anxiety. I remember how I was heavily depressed for days. I prayed and tongued daily, yet depressed. The pressure of life caught up with me and I lost hope. It was message on joy that I heard that delivered me from pressure of life. Looking back today after few years have passed, I can boldly tell you that joy is powerful and can unleash God's power within you.

The way to living victoriously as believers is by turning on the joy of the Lord within you daily. A man of God once said, "joy is like a hypnotic, it takes our attention from overwhelming pressure to the reality of God's unshaken faithfulness." Regardless of whatever you go through, be joyful always.

TRANSCENDING FROM REVELATION TO APPLICATION: PART TWO

1. **BREAKING JOY CODE: JOB 33:26**

Job 33:26

[26]He shall pray to God, and He will delight in him, He shall see His face with joy, For He restores to man His righteousness.

From the above scripture when we pray to God and God in turns delight (favour) in us, we then come to a place we see joy from God. You cannot see the face of the Lord when you are not joyful, a sorrowful person cannot see the face of the Lord that is the reason it is difficult to hear the voice of God when you are sorrowful and not joyful.

This passage is saying you shall see his face with joy, in other words until you are joyful you cannot see the face of the Lord. There is a different between seeing the face of the Lord and seeking the face of the Lord.

SEEKING THE FACE OF THE LORD AND SEEING THE FACE OF THE LORD AS PIVOTAL ON THE STATE OF THE HEART

When you are sorrowful you can seek the face of the Lord. However, when you are joyful you can see the face of the Lord.

When things is not going well, you can seek the face of the Lord but to see the face of the Lord, you cannot see it when you are not joyful. God only permits people who are joyful to see his face. To see the face of God, talks about having a communion and a rapport with God in a way that you can feel His touch, discern His Presence. Only those who are joyful can see the face of the Lord.

When a person is sad the person can seek the face of the Lord, it is in the process of seeking the face of the Lord that God, does some things in the heart of the person and that person breaks into joy, it is afterwards that that person can now see the face of the Lord. It's afterwards that the presence of God becomes so real to that person. The presence of God cannot be so real to you when you are not joyful. Only the joy of the Lord grants you access to see his face. You have to make up your mind to be joyful always.

BREAKING JOY CODE: ISAIAH 9:3

Isaiah 9:3

[3]You have multiplied the nation And increased its joy; They rejoice before You According to the joy of harvest, As men rejoice when they divide the spoil.

THE JOY OF HARVEST

Two things I want us to see from this scripture is that there is something known as the joy of harvest. When you have invested, sow certain seeds, when you have done certain things, you now come to the season in your life when things should begin to work for you, you want to start getting the things you have laboured for, it means to have the joy of harvest.

THE TIME OF HARVEST AND INCREASING JOY

The time of harvest is when you get the outward manifestation of the seed you have sown in the past. God Himself can increase your joy. Joy can increase. You cannot have abundance of joy if God doesn't increase your joy. This scripture says "you have increased it joy", the joy of the nation of Israel, if God can do it for a nation, He can do it for you.

So the central focus is "God increase my joy". When your

joy increase, your joy level increases. When your joy increase, things that supposed to make you sorrowful, you will just laugh at it. God can increase your joy. Your joy must increase now.

BREAKING JOY CODE: ISAIAH 65:19

Isaiah 65:19

[19]I will rejoice in Jerusalem, And joy in My people; The voice of weeping shall no longer be heard in her, Nor the voice of crying.

COMING TO THE PLACE WHERE YOU NO LONGER CRY

It is possible that the joy of weeping will no longer be heard. God can bring you to a place where you no longer cry again and the secret is that, God will rejoice inside of you and then will joy inside of you. When the Lord joys in you, you will never come across any situation that will cause you to weep. You will never have the cause to open your mouth to cry.

4

BREAKING JOY CODE: PSALMS 16:11

Psalms 16:11

[11]You will show me the path of life; In Your presence is fullness of joy; At Your right hand are pleasures forevermore.

THE FULLNESS OF JOY IS POSSIBLE

When we have contact with the Presence of God, our joy becomes full. There's such a thing known as the fullness of joy, you have joy that is just too much. It's possible for a person to be full of joy. The key to the Presence of God is joy. The Presence of God is what activate the fullness of joy.

The reason you are sorrowful is because you have not made contact with the Presence of God. You cannot make contact with the presence of God and sorrow will be in your heart. When you make contact with the Presence of God, joy will be on your inside, the fullness of joy will leap from your inside. To have the fullness of joy, you need to contact the presence of God.

BREAKING JOY CODE: JOEL 1:12

Joel 1:12

[12]The vine has dried up, And the fig tree has withered; The pomegranate tree, The palm tree also, And the apple tree— All the trees of the field are withered; Surely joy has withered away from the sons of men.

JOY CAN WITHER IN A PERSON

This is a Prophetic scripture trying to talk about how tree dries up. The indication of the scripture, is that at the time Prophet Joel was speaking, the farmer had planted and expecting harvest only for them to see no harvest. All the things the farmers planted dried up. The people at that moment could not come to a place and boldly say they have joy, seeing how much they have lost. Joy can wither in a person.

6

BREAKING JOY CODE: LAMENTATION 5:15

Lamentations 5:15

[15]The joy of our heart has ceased; Our dance has turned into mourning.

BE CAREFUL OF SITUATION AND EVENTS OF LIFE

This is a scripture saying you had joy in the past and then certain situation happens and your joy suddenly stop, it is very possible. When things are not going well, those situations are trying to cause your joy to cease.

When situation, event turns against you be sensitive because they are trying to cease your joy.

BREAKING JOY CODE: JEREMIAH 15:16

Jeremiah 15:16

[16]Your words were found, and I ate them, And Your word was to me the joy and rejoicing of my heart; For I am called by Your name, O Lord God of hosts.

RECEIVING THE WORD OF THE LORD

The scripture is saying when you receive the Word of the Lord and you receive it into your spirit; you have eaten the word of the Lord. Just as the word of the Lord can bring faith to you, it can bring joy to you.

When you receive the Word of the Lord, you receive the joy of the Lord. When the joy of a person dries up or ceases, the person needs to get the Word of God because the Word of God will restore the joy. The Word will bring back to life the joy that has ceased and dried.

To get the Word of God into you, you need to concentrate on listening to the Word of God, trying to get what God is saying to you concerning your life. Anyone that was joyful in the past and now is sorrowful, what such person needs to do is to get the word of God into his/her life. The word of the Lord in your heart will become the joy of the Lord in your heart. You have to

baptize yourself into reading the scripture. Read and get what God is saying about your life.

BREAKING JOY CODE: HABAKKUK 3:17-18

Habakkuk 3:17-18

[17]Though the fig tree may not blossom, Nor fruit be on the vines; Though the labor of the olive may fail, And the fields yield no food; Though the flock may be cut off from the fold, And there be no herd in the stalls—

[18]Yet I will rejoice in the Lord, I will joy in the God of my salvation.

THE POWER OF “I WILL”

The above scripture is an account of a farmer who has a field and planted a lot but it didn't yield and all was in vain. As long as I am still alive, everything I have lost, I can still get it back again, this was the conclusion of farmer. The farmer said “instead of me to complain, regret and lament, I will thank God.” The man will not complain even if he loses anything, he will rejoice in the Lord.

SALVATION EXPOUNDED

The God of your salvation is the God that makes a way for you out of nowhere. Salvation is solution that will bring the man out of things he experienced. It is an unexpected breakthrough,

solution in the midst of problems.

Salvation also means victory. Many saints in the old testament also received salvation. Reading through Psalms, you will see many places the psalmists pleaded for salvation. The salvation they needed was simply victory. When you have victory over a situation in your life, God has made a way for you to be saved. When scriptures says the Lord is my salvation, it simply means the Lord is my victory.

BREAKING JOY CODE: GALATIANS 5:22-23

Galatians 5:22-23

[22]But the fruit of the Spirit is love, joy, peace, longsuffering, kindness, goodness, faithfulness,

[23]gentleness, self-control. Against such there is no law.

JOY IS THE FRUIT OF THE SPIRIT

Joy is the fruit of the Spirit. As long as the Holy Spirit is inside of you, you have the ability to be joyful. You must learn to eat the fruit of joy regularly by opening your mouth to appreciate God.

The Spirit of God supplies joy. You must be able to pluck it out anytime you need it. If it natural for you to love, it is natural to be joyful too.

BREAKING JOY CODE: 2 CORINTHIANS 8:1-2

2 Corinthians 8:1-2

[1]Moreover, brethren, we make known to you the grace of God bestowed on the churches of Macedonia:

[2]that in a great trial of affliction the abundance of their joy and their deep poverty abounded in the riches of their liberality.

DETERMINE TO BE JOYFUL

The churches of Macedonia went through many afflictions but in their affliction, they were very joyful. Naturally when people begin to persecute you, you will be down but that was not the case of the believers in Macedonia. Your circumstances should not determine your joy, you should be joyful always.

As a believer, as long as the Spirit of God is inside of you, you can choose to be joyful or sorrowful. Therefore, you must choose to be joyful. Therefore, what you are going through should not determine your joy. You should determine your joy.

11

BREAKING JOY CODE: JOHN 16:24

John 16:24

[24]Until now you have asked nothing in My name. Ask, and you will receive, that your joy may be full.

THE KEY TO RECEIVING IS ASKING

When you want certain things and don't get it, you will be sorrowful but Jesus is saying that when you ask, you will receive and your joy will be full. If you want to receive something from the Lord, the key to receiving is asking.

Go to the Lord in prayers and be specific with what you want. Don't ask God for small things, ask God for big things.

12

BREAKING JOY CODE: NEHEMIAH 8:10

Nehemiah 8:10

[10]Then he said to them, “Go your way, eat the fat, drink the sweet, and send portions to those for whom nothing is prepared; for this day is holy to our Lord. Do not sorrow, for the joy of the Lord is your strength.”

JOY IS STRENGTH

One of the reasons you must joy in the Lord is because joy is strength. The Word of the Lord is the joy of the Lord. When you read the scripture and God gave you promise, joy comes into your heart. However, one of the ways you get strength into your life is that you joy in the Lord. The joy of the Lord is the producer of the strength of the Lord.

To be full of strength is to be full of joy. You cannot be strengthened and not be joyful. To lose joy is to lose strength. In moment of difficulty and challenges, if you don't lose your joy, you have enough strength within you to overpower those situations.

I have come to discover that the strength of the Lord will be far from where His joy is absent. Joy and strength works together. Joy has to be within before strength can come within. It is not

strength that brings joy, but rather, it is joy that brings strength. In the days of battle, you will have enough strength to fight if only you can sustain joy within your spirit.

GIVE NO PLACE FOR THE DEVIL

Don't permit devil to weaken your heart, fill your heart with sorrow. Anytime sorrow get into your heart; deliberately get into singing, dancing and bless the Lord with all your heart. To bless the Lord is to say something good and wonderful about the Lord.

Joy gives room for the Lord to do something unusual in your life while sorrow gives place for the devil to work in your life. A way to regularly create space for the Lord to continually work in your life is to remain in His joy constantly. If you can think the thought of God, you will be filled with the joy of God. Either joy or depression, both have their roots in thought. Those who think on their circumstances, challenges and problems will always have depression while those who think on God's word (for God's word in scriptures are His thoughts) will forever be full of joy.

The next time you begin to think about what you are going through, you are simply giving place to the devil. The feelings of regrets, loss, sufferings are all strategies to give place to the devil.

The feeling of hope, excitement with God's promises will definitely create space for joy in your heart.

THE STRENGTH OF THE LORD IS THE ANTIDOTE FOR DEPRESSION

People are tired, weak, weary and depressed because strength is not in their heart. When strength comes into you depression disappear.

Wherever there is joy, there is strength. There is no weakness, depression, pain or hurt that can withstand the presence of joy. Joy is a forceful substance which operates at an energy level that cannot be reached by sorrow, depression, hurt and so on. If you are hurt and you are pained for long, it's because joy was absent within your heart. Joyful people are stronger people.

13

BREAKING JOY CODE: ISAIAH 52:9

Isaiah 52:9

[9]Break forth into joy, sing together, You waste places of Jerusalem! For the Lord has comforted His people, He has redeemed Jerusalem.

BREAK FORTH INTO JOY

Whatever you are going through now is not your end. The cure for discouragement, disappointment and depression is God's joy. With joy on your inside, whatever you go through will mean nothing to you.

Scripture says break forth into joy. Naturally, you should be sorrowful; break forth into joy. When somebody gave you a bad news, don't be sad and depressed rather break forth into joy.

To break forth into joy suggest that certain activities need to be done. In other words, you will have to do somethings to get into the joy of the Lord. God will stir you up to do something to get into His joy.

HOW DO YOU BREAK FORTH INTO JOY?

1) Rejoice Always

Apostle Paul told the Thessalonians believers to rejoice always

(1 Thessalonians 5:16). Paul didn't suggest to them but commanded them. To rejoice always is a command from scriptures. It is by rejoicing that we break forth into joy.

An attempt to rejoice by yourself without getting something that will propel you into doing that will end up in futility. To rejoice is to feel or show you are happy. How can you be excited when there's nothing on the physical to trigger it? The fact is that you don't need anything physical to rejoice, you only need the understanding of God's word and the heart of thanksgivings unto the Lord.

When you think on God's promises and faithfulness to you, you will definitely rejoice. A feeling of excitement flows out of your spirit when you remember how God has delivered you from all kinds of evil. You can't reflect on how God has kept you and not rejoice. If you want to rejoice always, you should reflect on God's promises and faithfulness to you always.

The end result of rejoicing always is joy always. The end goal is joy. But you can't just be told to joy always. You have to be told to do what will always lead to joy always. Everytime you rejoice, you will always have joy. To rejoice always is to be joyful always. The fact is that our joy in the Lord is dependent on our rejoicing always.

2) Sing to the Lord

"... Singing with grace in your hearts to the Lord" Colossians 3:16.

You break forth into joy by singing to the Lord. As you sing from your heart, joy is released to you in abundance. Songs, especially spiritual songs are transmitters of joy. Just like Jesus turned water to wine, God has a way of turning the songs in your heart to joy in your heart.

To sing with grace is to sing with thankfulness and gratitude. This suggests a consciousness of what the Lord has done for you as you sing to Him. The moment a song propels you to reflect on what God has done for you or who He is to you, then, joy will break into the joy of the Lord.

Paul also admonished in another place that we should sing and make melody in our hearts to the Lord (Ephesians 5:19). If you can sing from your heart, you will soon have joy from your heart. Any kind of songs cannot propel joy out of your spirit, it takes spiritual songs to launch you into joy.

3) Dancing

I travelled to a particular city to minister on the Supernatural. During the ministration, I told everyone to be intentional to dance as we sing praises unto the Lord. Suddenly, as we were dancing, many began to fall under the power of God. That day, chains were broken and yokes were loosed.

I noticed that as people began dancing, there was an energy of the Spirit that entered them. People got strength to dance without feeling pain. They shook their body, moved it left and right but didn't feel any pain. The face of everyone was brightened as they dance.

Dancing is spiritual. You can dance yourself into joy. When you dance, you shake away all sorrow, depression, anxiety, etc. In dancing, you move your body on earth, but with dancing, you are moving your heart into a higher level of accessibility in the spirit realm.

When the psalmist said that all that is within me should bless His Holy name (Psalm 103:1), he simply means to dance. Your internal organs are within you and the only way they can praise the Lord is by shaking them. When you dance, you are telling all

within your body and heart to praise the Lord. You can't praise the Lord and not be joyful. Dance yourself and way into joy.

4) Shout to the Lord

There are shout that signals sorrow or problem, while there is another that indicates joy. When you shout to the Lord, you are silencing whatever will affects your joy. Shouting to the Lord puts you in charge to open yourself to God. Many believers know how to grown in prayers but don't know how to shout in praises.

Shouting before the Lord is a sign of victory. The moment you feel shouting rising out of your belly, then, you are victorious. Another way we break into the joy of the Lord is by shouting. Anytime you feel like shouting to the Lord, you should do it because that is a signal that you are call to partake of a depth of joy... Remember, deep calls unto deep.

5) Laughter

God laughs. God Himself can make you laugh. You can't really rejoice and not laugh. When you are happy, you will laugh, so also when you are joyful, you will laugh.

The laughing mouth is a joyful heart. When you begin to laugh with your mouth, you will break into joy in your heart.

JOY IS A HEALING ANOINTING

I was amazed to know that joy is a healing anointing. You cannot be joyful and sick at the same time. You have to take one. Anywhere there is joy, sicknesses or diseases cannot be there. Even if it's there, during moment that joy was actively at work, the sickness the disease will definitely be absent

In a place of joy, you will get to see different people singing, dancing, jumping, shouting. People become superhuman to

really dance, sing, jump and shout because joy energizes them. Joy will make you do consistently the real things you have never before or you do periodically.

I want you to know that joy can destroy sicknesses and diseases in human body. Why? This is simply because joy itself is strength. I have proven that sickness and joy cannot be in the same place at the same time.
