## THE PART OF GOD IN TRANSITIONING, FROM THE PROCESS TO THE PROMISE LAND

### **ABUNDANCE: THE DOORWAY TO ELEVATION**

This part will examine the part of God for dominion, in the realm of abundance. This book is both apostolic and prophetic. It is apostolic, because I write to a kind of people I'm sent to, who are ministers and leaders globally; the people who desire greatness, and who want to reign in life. Christians who just want to make heaven won't see the importance of this book. People who desire greatness and impact in the world will really value this book. It is also prophetic because this is a particular season. There is going to be famine, lack and scarcity, but for God's children they will rise, thrive, flourish and grow. In the midst of famine, you are going to have abundance. You are not going to have abundance only, but dwell in the realm of abundance.

It is time to have dominion in realm of abundance. Abundance means plenty, surplus and more than enough. You cannot be a

blessing to others when you don't have more than more than enough. Having enough brings satisfaction, but having plenty brings elevation. When the Lord wants to elevate you, He gives you abundance. Abundance brings change of status. You change level, when you have plenty. When you have more than enough, you will be more than you are. Dominion however, means to control and rule. The realm of abundance is a position of plenty, where you have more than enough. Satisfaction will not change your level only; elevation will change your level. You can meet your need, when you have enough. You will be able to meet the needs of others, when you have more than enough.

If you claim to be comfortable, but you cannot pay the school fees of the needy, you cannot cloth the widow and feed the poor among others, it is a sign that you are at the level of satisfaction. You cannot freely share from enough. Even if you share, you will feel it. When you have more than enough, if you give out from it, you cannot feel it much. Therefore, if you can cloth the widow, cloth the naked, feed the poor, pay school fees of the needy, this is the level of abundance.

### **DOMINION IN THE REALM OF ABUNDANCE EXPOUNDED**

It is a place where things multiplied in your life; it is control in the space of plenty; it is control in the position of plenty. It is having control over plenty and authority, to make plenty to come your way.

Philippians 4:19

And my God shall supply all your need according to His riches in glory by Christ Jesus.

This was the prayer of Apostle Paul to the Philippian church. This prayer is a level and a realm. When you have all you need, that is a level. When the Lord supplies all you need, you will have

enough. This prayer will make the church at Philippi to have all they need and want. Also, when God supplies all you need, you will be able to speak like Esau had written in Genesis 33:9 “But Esau said, “I have enough, my brother; keep what you have for yourself.” Esau said to his brother, Jacob, to keep his gift to Himself, because he had enough. Having enough cannot make you share gladly with people.

### **GOD CAN GO BEYOND PHILIPPIANS 4:19 WITH YOU**

Jeremiah 32:17

‘Ah, Lord God! Behold, You have made the heavens and the earth by Your great power and outstretched arm. There is nothing too hard for You.

From the above scripture, the Lord is saying He is the God of all flesh and is there anything too hard for Him to do? For instance, if it is to make you great, is it difficult for God to do? You have to remember how God elevated Joseph, from being a prisoner to a prime minister. God will supply beyond your need.

Malachi 3:10

Bring all the tithes into the storehouse, that there may be food in My house, and try Me now in this,” Says the Lord of hosts, “If I will not open for you the windows of heaven and pour out for you such blessing that there will not be room enough to receive it.

God can give such blessings that you will not have enough space to contain. God can give more than you can contain.

### **WILDERNESS AND PROMISE LAND EXPERIENCE**

Exodus 3:21-22

And I will give this people favor in the sight of the Egyptians; and it shall be, when you go, that you shall not go empty-handed.

But every woman shall ask of her neighbor, namely, of her who dwells near her house, articles of silver, articles of gold, and clothing; and you shall put them on your sons and on your daughters. So you shall plunder the Egyptians.”

God told Moses that the Israelites will not go empty handed. All they got in the wilderness were all they needed. They did not get more than they needed. They got clothes, shoes and God preserving power came upon what they had.

Deuteronomy 8:4

Your garments did not wear out on you, nor did your foot swell these forty years.

Exodus 16:18

So when they measured it by omers, he who gathered much had nothing left over, and he who gathered little had no lack. Every man had gathered according to each one's need.

The people gathered less, and some gathered plenty, yet they have no left over. Abundance will always have left over. The wilderness is not a place of abundance. God will have to forcefully move you out of your wilderness. If you are still in the wilderness, don't pray for abundance, because you can't have left over in the wilderness. Attempting to have much in the wilderness of life will not result to abundance. Your desire should be that God will move you out of the wilderness to the promise land.

Every man has a promise land. If you close your eyes and you imagine yourself on what you want to be in the future, that is your promise land. Whatever picture you have for yourself in the future, is your promise land. You have to trust God to move you out of your wilderness speedily. God sends plenty in the wilderness, for you not to lack. Therefore, whatever you have in the wilderness of life is for you not to lack.

## TEN SIGNS OF WILDERNESS

1. **If you have instability, you are in the wilderness.** When your progress is not stable, when you have progress today and meet setback tomorrow, it is a sign of wilderness.
2. **If you don't have a job.** You don't create job in the wilderness. The job is in the promise land.
3. **If you are not in your desired or envisioned future.** You have a future you picture, you see yourself as a kind of personality in the future and you are not yet there, you are in the wilderness.
4. **If you have less to save.**
5. **If you are not known or what you are doing is not known.**
6. **If you lack resources to execute your creativity.**
7. **If you are eating whatever you find not whatever you like.** There are times you go for anything because you don't have the resources to buy what you like.
8. **If you have spiritual attack and financial drought regularly.**
9. **If you are doing all you can, but could not see the desired result.**
10. **If you have to pray to God before you get things all the time.**

## WILDERNESS EXPERIENCE

What is called wilderness in the twentieth century is referred to as process in the twenty-first century. Wilderness experience is the stage you go through, before you come into your blessings and fulfillment of prophecies for your life. People now say they are in their process. You go through the process, before you

enter into the promise. If you are in any process now, that is the picture the wilderness. In the process, God will not bring the abundance, but put the power in you to get out the abundance. You will be given the power to control plenty to come your way.

You get the abundance in the promise. The fact is that the young and old can be in the wilderness. Moses was over eighty years while in the wilderness. Joshua and Caleb were in their early 30's when they got into the wilderness. Therefore, going through process has nothing to do with age. Many old people are still in the wilderness, though they work and know where they should be, but are not there.

### **SOME FACTS ABOUT WILDERNESS**

1. **That you build a house does not show you are out of the wilderness.** Many Israelites built tents in the wilderness.
2. **That you have cars is not a sign that you are out of the process.** Many of the Israelites had donkeys in the wilderness.
3. **That you have children is not a sign that you are out of the process.** Many Israelites gave birth in the wilderness. Many of the children that got to the promise land were born in the wilderness.
4. **Parents can be in the wilderness, with their children with them.** Young people can be given birth and raised in the process.
5. **No matter the properties you have, as long as you have not entered your promise land, you are still in the wilderness.**
6. **If the greatness you see about yourself takes long before it happens.** Many elderly people are in their wilderness

because they have pictures in their minds concerning their future, but now they are old and have not become any of the pictures. This is a sign that they are in the wilderness.

The picture you have about yourself is your promise land. What is your promise land? It is beyond having cars, children, and houses, among others. What do you see yourself having in life? What greatness do you see? Where do you see yourself sitting in years to come? Old age is not a sign that you are out of the process. Your desire should be that the Lord accelerates you out of the process fast.

The people of Israel were to use forty days, but used forty years. You may be reading this book now, and all God wants to take you through is not more than two to three years, but after ten years, you are still going through the process. Young people who have not envisioned the future may not see the need for this analysis, but elderly people will understand better.

Majority of people live in their wilderness now. Some even died, without becoming the picture they saw in their hearts. They died, remaining who they used to be and never end up in their promise land.

God's plan was for the Israelites to pass through the process, not to live there or die there. The process is not your destination, but transportation, pathway and road that will link you to where God is taking you to. God must help you to become your promise early. Whatever prophecies you have received must happen early, because you are not an everlasting man; you will not be on earth forever. You have to become whatever you want to become, early. You have been factored into time; therefore, you must become whatever you envisioned in life, by the speed of God.

## **GOD'S PROMISE IS IN THE REALM OF ABUNDANCE**

God's promise is in your realm of abundance, but your realm is not the wilderness. Joshua and Caleb got to the promise land. You have to transition from the realm of enough to plenty. You have to move from scarcity to the realm of abundance. Also, you have to transition from process to the promise land. The process is for sustenance and training; the promise land is for abundance. The four lepers said why seat we here till we die. Therefore, whatever God has said to you, it is time to begin to see the manifestation.

Psalms 78:15

He split the rocks in the wilderness, and gave them drink in abundance like the depths.

The people of Israel got water to drink in abundance in the first time. One rock supplied water to over three million people. This shows that there is nothing difficult for God to do; however, the Israelites came the second time to receive water where God gave them water to drink in abundance the first time. They came the second time, because whatever abundance you receive in the process does not last. You must trust God to move you out of your process.

You don't sustain the abundance of the process, but abundance during the promise land. Until you become who the Lord has showed you, only then will you begin to exercise dominion in the realm of abundance. Any abundance in the wilderness is temporal. God does not force people out of the wilderness. If you don't call Him to move you out of your process fast, you may die there. Trust God to transition you out of the process, so you don't have delay and challenges. This has been the experience of many elderly people and parents. They have a picture of what they want to become in their heart yet, they have not seen it

reality after forty, fifty years. They are almost dying in the process, yet they have cars, houses and children, but they have not seen themselves becoming who they see God promised them to become. They have not become the image in their hearts. They keep seeing that image in their hearts, but have not seen it on earth. You have to desire God to transition you into the realm of abundance, so you don't die in the process.

### **MIRACLES, SIGNS AND WONDER IN THE PROCESS**

Many miracles happened during the process. When you are going through the process, many miracles may happen. Miracles are not proof that you are out of the process. Moses split the rock; he brought down manna, yet did not enter into the promise land. Therefore, miracles, signs and wonder are not proof that you are out of the process.

A man of God may be heavily anointed, yet in the wilderness. Moses was heavily anointed; he only saw the promise land, but did not enter. God brought you into the process to train you, but it can be very painful if the process is too long.

The Israelite prayed for the wrong thing in the wilderness. They cried for water and food. You must trust the hand of God to come upon you, to speed you out of the process into the promise land; to accelerate your journey in life, so that you will not have a delay; to take you from the realm of enough to plenty.

### **THE PROMISE LAND**

Your promise land is the picture in your heart. What you want to become is your promise land. Whatever image you see in your heart is your promise land. Your promise land is the realm of plenty, and until become that image in your heart, the plenty will not come. You have to go through the process, but it must not be long. It can be very frustrating when the process is too long. You need to trust God, to bring you to the realm of abundance.

If God gives you a promise, it must form a picture in your heart. Any promise that does not form a picture is not yet a promise. Every promise must be a picture in your heart.

Jesus went through the process, but did not stay there forever. The days of His process were numbered, and He did not die in the process. Jesus was led into the wilderness for forty days and returned in the power of the spirit. He never went into the process again.

John the Baptist went through the wilderness. Luke 1:80 says “So the child grew and became strong in spirit, and was in the deserts till the day of his manifestation to Israel.” He was taken through the process by God, but did not die there. He came into manifestation, blessings and the promise land.

Deuteronomy 8:7-9

For the Lord your God is bringing you into a good land, a land of brooks of water, of fountains and springs, that flow out of valleys and hills;

a land of wheat and barley, of vines and fig trees and pomegranates, a land of olive oil and honey;

a land in which you will eat bread without scarcity, in which you will lack nothing; a land whose stones are iron and out of whose hills you can dig copper.

As at the time Moses was saying this, the people of Israel were in their wilderness. The above account was in the wilderness. It doesn't matter your age; God will bring you into the good land. You don't come into the good land by your power. It is God that brought you into the process; He will also take you out of the process, into the promise land. When God takes you out of the process, He will begin to make things happen fast for you, beyond your imagination.

The promise land is a place where there is no lack and scarcity.

When you become the promise, you will automatically attract plenty into your direction. You have to change form, to attract the plenty you desire into your life. Promise land is when you become the image and greatness in your heart. When you become the great Man of God; career professional; Engineer; business tycoon, it is a sign of your promise land. When you become the picture in your heart, all blessings will locate you. Also, when you become who God promise to make you, every blessing will locate you, not in little but in plenty.

Deuteronomy 8:13

and when your herds and your flocks multiply, and your silver and your gold are multiplied, and all that you have is multiplied;

From the above scripture, it is in your promise land that all you have multiplied. Money will multiply in your life. The realm of abundance is a place where things multiply in your life.

### **HOW WILL YOU ENTER THE REALM OF ABUNDANCE?**

***Your focus should be that God should bring you out of the process.***

Deuteronomy 8:7, 12

[7]For the Lord your God is bringing you into a good land, a land of brooks of water, of fountains and springs, that flow out of valleys and hills;

[12] Lest—when you have eaten and are full, and have built beautiful houses and dwell in them;

God Himself has to bring you out of your process into your promise land. You can't do anything magical. Your focus now should not be that God should give you food and water, your focus now should be that God brings you out. When you enter your promise land, you will get things easily. You will not need miracle to get water when you get into your promise land. You

will build good houses – real estate in your promise land.

Deuteronomy 11:12

[12]a land for which the Lord your God cares; the eyes of the Lord your God are always on it, from the beginning of the year to the very end of the year.

According to the above scripture, your abundance will be from the beginning of year to the end of the year. Every month will be abundance for you. Abundance is seasonal in your life because you are in the process. When you become the picture in your mind, abundance becomes a daily experience.

Having seen God as the One who brings one to the promise land, your focus now should be that you go to Him genuinely. Let Him know you have been praying for food and water in the wilderness. Thank Him for all He has done for you, for taking care of you and preserving you, but now you want Him to take you into the promise land.

### **YOU MUST TRUST GOD BY DECLARING AS THUS:**

Lord my life must be different. Father, place your hand upon me and move me out of the process fast. Lord, make the promise of years begin to manifest in my life. Father, bring prophecies to fulfillment in my life. Lord, bring me out of this process fast, and cause me to transform into the image you have put in my heart. The promises of Yours, begin to manifest in my life. Lord, move me from expectation of prophecies to fulfillment of prophecies.

As the Lord does these for you, you will come across Jordan and He will part Jordan for you; you will come across Jericho and He will sink the wall of Jericho for you.

# GOD'S PRINCIPLES IN THE REALM OF ABUNDANCE

Deuteronomy 28:12

[12]The Lord will open to you His good treasure, the heavens, to give the rain to your land in its season, and to bless all the work of your hand. You shall lend to many nations, but you shall not borrow.

The above scripture was a word from His servant, Moses to the children of Israel. From the above scripture, there are five insights to be used as plans of actions.

### **GOD'S TREASURE WILL BE OPENED TO YOU**

His treasures are stored in heaven. His treasures are His wealth. When God opens His good treasure to you, there will be access to what the Lord can supply. God will open His good treasure to you.

### **THE LORD WILL GIVE RAIN TO YOUR LAND IN EVERY SEASON**

Lack of rain brings famine. Biblically, rain represents five

things

1. **Rain represents the anointing.** When a prophetic word says God will send His rain, it means God will send His anointing again.
2. **Rain represents idea or vision.** They are rain God cause to come upon people.
3. **Rain represents inspiration.**
4. **Rain represents wisdom.**
5. **Rain represents instructions.**

In the scripture, land represents two different things:

1. It refers to your heart.
2. It refers to your sphere of influence

If you are asked your promise land, it means the picture of your heart and your sphere of influence. Your future is not ahead of you; your future is in your heart. You can never become anything on earth, which you have not become in your heart. You become in your heart first, before you become in earth. You must regularly visit your future, in your imagination. Look at the picture you want to become in your heart regularly.

### **ALL THE WORKS OF YOUR HAND SHALL BE BLESSED**

God doesn't only bless people; He blesses the work in their hands. You have been blessed; He also wants to bless the work of your hands. To bless is to add special value to you, which will compel acceptance. Everything and everyone will want to accept you when you are blessed. The Lord blesses your work by adding special value that will compel acceptance everywhere.

To bless the work of your hand is to put favour that will distinguish your work from the work of others. When favour is added to your work, strangers (unknown) people will advertise your work. You must continually trust God for His blessings upon your work. You will attract people, resources, money and support, when you are blessed. When your work is blessed it will attract people, money and support.

Job 1:10

[10]Have You not made a hedge around him, around his household, and around all that he has on every side? You have blessed the work of his hands, and his possessions have increased in the land.

God blessed the work of the hand of Job, and his possession increased in the land. When God blesses your work, your possession will increase. Therefore, your possession increases to the degree of His blessings upon your life. When God blesses you, there will be increase in your life.

Your vision, idea, influence, knowledge and wisdom will increase, when God blesses you. Your profit, possession, people, workers and members of staff will increase, when God blesses your work. Your desire now is for God to bless your work.

The spiritual blessings you received are in you. It is your responsibility to release God's blessings on your work, regularly. You must declare words of authority over your work. You are designed to programme your work on how you want it to grow and go; what you want it to be. Speak blessings to the works of your hand.

## **YOU WILL NOT HAVE ONE WORK**

The scripture reveals that "and to bless all the works of your hand." Therefore, you will not have one work. One work will

always bring one income.

Genesis 2:10-14

[10]Now a river went out of Eden to water the garden, and from there it parted and became four riverheads.

[11]The name of the first is Pishon; it is the one which skirts the whole land of Havilah, where there is gold.

[12]And the gold of that land is good. Bdellium and the onyx stone are there.

[13]The name of the second river is Gihon; it is the one which goes around the whole land of Cush.

[14]The name of the third river is Hiddekel; it is the one which goes toward the east of Assyria. The fourth river is the Euphrates.

The above scripture reveals that a river went out of Eden into the garden and divided in four river heads. It was first one river, but ended in four. You may start your life with one stream of income, but you must not end your life with one income. You must have at least, four streams of income. As you advance in life, you must have at least four streams of income. This does not imply you work here and there. It's about having multiple of investment. You must know the income that represents each river. In the Bible, four rivers were mentioned - Pishon, Gihon, Heddekel and Euphrates. You have to know the income that represents your streams of income.

Financial abundance does not come through one work and one stream of income. You may have one company, but you must embrace diversification. You can create new services, products among others. You must permit God blessings upon your multiple streams or channels of income. You must be such that lets your work go beyond one, your income beyond one.

## **YOU WILL LEND TO MANY NATIONS, YOU DON'T BORROW**

In the realm of abundance, you don't borrow. You are only permitted to lend to others. At this juncture I have to separate God's principle from the world principle. Just as Satan can make people rich; God also has a way of making people rich.

1 Samuel 2:7

[7]The Lord makes poor and makes rich; He brings low and lifts up.

According to the above scripture God makes poor, He makes rich. The blessings of the Lord makes rich also. When God moves you to the realm of abundance, one of the principles that guides the realm is that you don't borrow, you lend to others.

In the realm of abundance, even if you want to borrow, you don't borrow from others, but from your money or what you have in storage. Also, you don't borrow money to execute project(s). What you do is that, you invite friends or others to bring their money to invest in your project. You look for people around you to partner with you in the project. Do well to communicate the reward, benefit and profit attached to the project. You don't tell people to lend you money; rather, you invite them to partner with you in your project. Don't be a borrower. You may borrow in the wilderness, but when you enter the promise land, you don't borrow.

Training comes before reigning. You can't be trained and not reign. God will always train you; teach you how to live in your process before He accelerates you into the promise. One of the reasons for the process is to teach you how to live where you are going. Moses trained the children of Israel by giving them law, precept, which forms the foundation on how they will live when they get to the promise land. You must know how to apply the right principle when things begin to happen in your life. Many

lost the things God has granted to them because they applied the wrong principle. Therefore, borrowing is a way of losing abundance. So, make up your mind not to borrow at all. If you want to borrow, let it be from yourself.

Those in the world may be borrowing money, but you must forbid borrowing. Your process is the last place for you to borrow. After you move out of smallness, instability, drought, famine, bondage and affliction, you don't borrow. You have to apply godly principle.

As you pray to God to move you out of the process to the promise land, you have to erase borrowing mentality out of you. God's principles are different from world's principles. You should always find a way to invest your money, to get more money. You must consistently remember that the borrower is a servant to the lender. In the promise land, you are not permitted to borrow. When the Lord teaches you how to live, the things you should do; blessed are you.

Don't tell people in the world not to borrow, because that is their path of advancing. As believers, the result that comes out of your life is the function of the revelation you have. Also, the actions you take are the function of the revelation you have. People borrow because they don't know where they are. If you are in your process you can borrow, but as long as you are out of the process you don't borrow. When things begin to happen in your life, you have to know about storage, management and investment so that when you need certain amount of money or things you will not be looking for whom to go borrow from.

As a believer, you have to know that it is not a sin for the people of the world taking loan. You cannot apply such principle because of the place you are now. The principle that governs the promise land is that you don't borrow money. Borrowing affects

abundance, and it brings debt. The way to become a debtor is to be a borrower. Nobody prays to become a debtor. Without praying, however, there is something you can do to become a debtor, and that is borrowing. The devil may create some things around you so as to borrow, but you must be bold to declare as thus "I am not borrowing." If you need anything, don't look for people who will borrow you money; rather, you look up to God for supply. Whenever you need anything in your promise land, you have to look up to God for supply. As you look up to God for supply, you must know that God is faithful. He will always supply to you beyond your wildest imagination.

The acumen of the realm of abundance is a state where you don't borrow. The realm of abundance is the realm where you don't borrow. You have to be the one that lend to others. Position yourself to be such individual that can lend to different people.

### **DO THE FOLLOWING**

Whenever you want to execute project that involves huge sum of money do the following:

1. Look up to God to supply to you abundantly.
2. Look up to God to give you direction.
3. Be sensitive to receive an insight on what to do from the Lord.

You have to be sensitive to the direction the Lord gives. You cannot control abundance when you borrow. When you borrow, you have subjected your control and rule to the person that lent you the money. The ability not to borrow in the promise land is the sustainability of your authority in the realm of abundance. What sustains your authority is your ability not to borrow. Make

up your mind not to borrow, so that you can be in charge. Be such that is a lender unto others, not a borrower.

# 3

## THE PROCESS EXPOUNDE, AND THE THINGS GOD SEND

### **WHY THE PROCESS?**

The purpose of the process is not to make you suffer, most of the times. You go through certain things in life and you tend to ask God, why me? Why am I going through all this? I realized such questions are wrong questions. God is not wicked. It takes the love of God to bring you into the process. His purpose is not for you to live in the process; rather, to pass through the process into your promise land.

### **THE PURPOSE OF THE PROCESS IS TO FORM CHARACTER IN YOU**

God took you through the pain, lack, persecution and drought, among others to furnish character in you. Character building can be slow. Character building takes time. God will anoint you, before He trains you. When God wants you to do something extraordinary in life He will anoint you for such thing.

Psalms 92:10

[10]But my horn You have exalted like a wild ox; I have been

anointed with fresh oil.

Logically, one would assume that the training should come before the anointing; however, the way God does it is that He will anoint you first, before He trains you. Only the anointed is qualified to be trained. If you are not anointed, you are not qualified to be trained by Him. You are not qualified to be taken through a process if the Lord has not promised you. If you have not received certain promises, prophecies from God, you are not qualified to go through the process. The purpose of the process is to cause what He said about you to come out of you.

What God said to you is a picture in your heart. He takes you through the process, for the manifestation of the picture in your heart; so you can be transformed from the inside out. The process is for the picture within you to come out of you, for the world to see. You are not qualified for the process, if you have not been shown a promise land. God anoints you before He trains you. He will give you promises before He prepares you. The moment the Lord spoke the promise to you, He has done it in the spirit realm. You are to wait for the manifestation in time. God will take you through a process so you can become what He has done for you.

### **THE PROCESS IS NOT FOR PAIN**

The process is not for pain; however, the frustrating part is that many die in the process. You are not meant to die in the process. God wants you to get out of the process. He wants you to learn fast and complete your training speedily. So, only those who are trained by Him are empowered to raise others. You are not qualified to raise other people, when you have not been trained by God Himself. Never expect God to use you to lift others, if you have not been trained by Him.

When God launches you into the promise land without training you, you may you take His glory. When you go through the process and felt the pain, you will come to the point you know that you did not make this happen; as God made the way out for you to give Him the glory. Therefore, God will appoint and exalt you, after He has trained you.

### **GOD'S FAVOUR DURING THE PROCESS**

God will first put favour on you and will take you through some painful process that will train you on how to handle, protect and sustain favour. It is after you have been trained by the Lord, can you start to enjoy God's favour upon your life. The fact you experience certain delay, going through some processes, things not working out the way you planned is a sign that you have the favour of God upon your life.

The favour of God will make God to have interest in your life. The first proof of favour is that you go through some painful proceed. If you are going through some painful process, and you're prayerful to God, you trust and lean on God and you see people around you whom things are working in their life, you tend to assume these people are favoured than you. I assure you that you are favoured than they are.

The things you are going through now are what will sustain and build capacity in you. Men don't have the same capacity in life, because they have not gone through the same thing. How God builds capacity in man is by taking them through certain issues in life, to furnish character in them and build capacity.

Sometimes, the result you manifest in life is dependent on the capacity at work in your life. God will take you through certain processes that will cause you to trust Him the more. You have to be such individual that knows that the things you are through is

a proof of God's favour upon your life. Having some difficulties, not satisfied with the level of your life is a proof of God's favour upon your life. God uses the process to equip, train and empower you. When the process completed, you will begin to enjoy your favour.

### **ENDURANCE COMES BEFORE ENJOYMENT**

You have to realize that endurance comes before enjoyment. God will take you through the process you have to endure, and after He takes you out to enjoy. The realm of abundance is a realm of enjoyment, where you don't have pain. Even when anything is created by the devil to cause you pain you don't feel it. You have been transformed to the realm where you have more than enough.

### **THE WORD 'CHARACTER' EXPOUNDED**

Character within the context of this writing means patience. It is only those who go through the process that knows what is called patience. It is through faith and patience you obtain the promise. Whatever God has promised you, requires patience and faith. Patience is one of the characters God will achieve in your life during the process. Patience makes you to trust God the more.

### **INTEGRITY AS AN ASPECT OF CHARACTER**

Another aspect of character is called integrity. God wants to use the process to build integrity in you. Considering the challenges you passed through, you will not deny Him.

### **MEEKNESS AS AN ASPECT OF CHARACTER**

Another aspect of character building is meekness. Moses

was the meekest of all men. Also, God takes you through the process to build humility in you. Check genuine people, they are individuals who have gone through process in life. Process has a way of making you become humble. When you want God to use you to raise other people, you will have to be humble. It takes humility for you to birth the greatness in you. The reason God cannot bless some people now is because with the state of their life, if He blesses them they will oppress other people. There are some people if God blesses them, they will oppress people with the way they talk and do things. When you enter the promise land and are blessed by God, if your heart is not dealt with in the process, you will hinder God from accomplishing what He wants to do through your life.

Deuteronomy 8:16

[16]who fed you in the wilderness with manna, which your fathers did not know, that He might humble you and that He might test you, to do you good in the end—

God took the children of Israel through the wilderness, that He might humble them and do them good in the end. The Lord wants you to be humble, so He takes you through the process. It is only by God's help you can come out of difficulties and pains, because process can sometimes turn to a delay. It doesn't matter what you are going through now, be rest assured that God will take you out of the process.

## **EXAMINING SOME ESTABLISHED FACTS**

***GOD WILL TELL YOU A GREAT FUTURE, BUT HE WON'T TELL YOU THAT YOU WILL GO THROUGH A PROCESS***

God told the children of Israel that they were going to the promise land; however, He didn't tell them that they will face

the red sea, encounter snakes and scorpions and fight battles. Regardless of any process you are going through, there will always be battles to fight.

Battles within the context mean troubles and oppression that may want to suppress you, which you have to overpower. There are things that may want to come your way so that you can lose certain benefits. Therefore, you have to rise and fight.

### ***YOU WILL SURVIVE THE PROCESS, BUT YOU WON'T THRIVE IN THE PROCESS***

The thriving is in the promise land; the process is for surviving. The promise is where you thrive. When God brings you out of the process, everything will just be working for you. God has brought you thus far because He wants everything to work for you.

Every time God brings men into the process, frustration will be evident. The people will be frustrated. You have to know that after you received the promise, be ready to go through the process. Therefore, after the promise be ready for problems.

### ***PROCESSES ARE PROBLEMS***

The wilderness is a place of problems; however, when God brings you out, you will forget everything you have been through. During the process you may be tired of life, but don't complain. Only the fool complains during the process. There are some troubles that are not process. Also, there are some troubles the Lord wants to use to facilitate His promise in your life.

When you go through troubles, don't complain; rather, pray to God. It takes wisdom to pray to God during the process. The fools will blame the government. In the wilderness, the people of Israel would always blame Moses and Aaron. You must not

be foolish when others are talking against the government. You have to know that the government cannot affect your greatness, progress and prosperity. As a believer, your revelation determines your reality. When government comes with policies, laws that may want to affect your progress you have to focus on God; don't complain. God will surely help and surprise you. You can't be complaining about the government and know what to do. When you focus on God His hand will come upon you, and send rain upon you. He will perform miracles that will make all you need come your direction. Be such that prays to God to help you out in the process; for it is a vain thing to put your confidence in man.

#### **WHAT GOD SENDS IN THE PROCESS WHEN YOU PRAY TO HIM**

When you pray to God in the process, God will send three things to you:

#### ***YOU WILL HEAR A MESSAGE THAT WILL SEND LIFE INTO YOUR SPIRIT***

This message will encourage you to endure the process. The Lord will send a servant to you to come and preach a message that will get you out of the process. The Lord helps people by sending a message through His servant. Such message that you hear will relieve you of pain and assure you that your future is bright. Message, such as weeping may endure in the night but joy will come in the morning will be preached.

God sends His servant to ensure that your hope is sustained. When you have hope, you will have life. This is the kind of life that makes you to progress in spite of what you are going through.

### **HE SENDS HIS WORD**

God will speak to you through His word, or send prophecies to you. The reason for such words is to strengthen you. You receive additional promise in the process, to strengthen you. The words may come through His word, through prophecies or through men.

### **HE SENDS HIS MIRACLES**

Miracles in the process are to reveal that God is with you, and to move away your pain, troubles and depression. When we receive miracles, our needs are met temporarily. Several miracles happen in the wilderness. Be such that trace the miracles of God during your process.

Miracles are for assurance that God is with you. So, when you have these, you should know that great things are ahead of you. The plan He has for you is what matters. The Lord has you in mind, by sending you His message, Words and miracles. People might have insulted, ridiculed you in life, but God permit such so you can trust in Him the more. You inserted all your energy in getting things done, but ended in failing. The reason for such is that God wanted you to trust in Him the more. He wants you to know that what He wants to do in your life is not because of your ability, but His willingness.

### **DON'T BE ENVIOUS**

Don't be envious of anyone that has gone ahead of you in life. When others are making progress, thank God for their lives. When you do this, you are acknowledging God in their lives. God permit others to make progress so you can trust Him the more. Whatever you are going through now, keep hope alive.

## **WHEN GOD WANTS TO GET YOU OUT OF THE PROCESS INTO THE PROMISE LAND, THE THINGS GOD SEND**

When God wants to get you out of the process, rather than He sending words that will keep your hope alive, He will send words that will take you out of the process.

### ***HE WILL SEND HIS SERVANT***

When He wants to move you out of the wilderness, He will send His servant. The message of the servant is not to tell you to enjoy or endure the process. This servant is different with his message. This servant that God will bring your way will stir up desire in you that will get you out of the process. He will announce to you that the time and season of your process has expired. He will bring the word that the time to pray to God to take you out of the process is here. God is the one that will bring you out of the process. As you are reading this book, it time to get out of your process into the promise. It is time to move out of the wilderness into the promise. It is time to become all He has said to you. It is time to possess all that God has sent to you. The servant will stir your heart to pray to God, so as to take you out of the process. If you receive the servant, get into prayers; as you never can tell, the next time God sends His servant to you, you may not be able to pray right, except you pray in the spirit; you may not be able to discern what to do. God used Joshua as machinery to get the people of Israel out of their wilderness. You must realize that training continues in the promise land.

## WHEN GOD WANTS TO GET YOU OUT OF THE PROCESS INTO THE PROMISE LAND, THE THINGS GOD SEND: HE WILL SEND HIS MERCY

### **RECEIVING MIRACLES**

Receiving miracles may keep you in the wilderness. Regardless of whatever process you are going through, you would have seen a miracle. The kind of miracle you received in the wilderness will keep you in the process. You have to go beyond receiving miracles, trusting God for miracle and having the faith for miracle; you also have to trust God to perform miracle in your promise land. The kind of miracle you should desire now should be such that will take you out of your process.

There are some revelations you cannot understand if you don't have some experience. The experiences you have often affect your understanding of some revelations. The kind of miracle you should trust God for is the one that will take you out of your wilderness. The reason for such is that, a process can turn to a delay. You should always make progress in your process.

To get out of the process, you don't need the miracle of water from the rock, or manna from heaven. It is time to have consistent flow of resources and provision. You need a miracle that will part the Jordan for you. You need miracles that will sink the wall of Jericho. Therefore, you need miracle that will clear your barriers and grant you new connection, empowerment to subdue new territories.

To get out of your process you have to pray to God but much more, pray to the Lord to send His mercy. To get out of your process, you will always need mercy. The love of God is different from the life of God. The love of God is shown to the whole world; the life of God is given to those who believe in Jesus. God gives His life to those who believe in Jesus. The person of God is different from the principle of God. Therefore, there is a clear difference between the power of God and the mercy of God. When you see the power you have access to His ability.

### **THE MERCY OF GOD IS THE WILLINGNESS OF GOD**

When God is willing to intervene in a particular situation; when God is willing to let go your offence and sin, you have received mercy. Everyone that wants to get out of the process needs the mercy of God. In the kingdom, people believe that the mercy of God is directed towards the sinners alone; however, if you want to make advancement and do exploits in life, you need the mercy of God. The mercy of God is what determines who God helps first. God will get you out of the process through His mercy. The mercy of God is saying, "God is willing to get me out of this process, pain, troubles, lack, stagnation and sickness.

**YOU CANNOT FORCE GOD TO GET YOU OUT OF THE PROCESS,  
YOU NEED HIS MERCY**

Romans 9:15

[15]For He says to Moses, “I will have mercy on whomever I will have mercy, and I will have compassion on whomever I will have compassion.”

The above scripture reveals that the Lord will show willingness to whomever He wills, and will be helpful to whomever He decides to help. You don't compete with the person God has helped. The best you can do is to cooperate with the person. When God shows mercy to a person, whatever and whoever leaves such person has left mercy. In other words, when God shows you mercy, whatever is connected to you, God will be willing to help such. You must desire that anyone connected to you; God should show willingness to help such people. There is the mercy of God that brought salvation to all men; there is the mercy of God that brings breakthrough unto people. The mercy of God that brought salvation is obtained the moment you believe in Jesus.

The mercy of God that brings breakthrough is the one you should trust God to send unto you. When you go to God in prayers, to take you out of the process, it is His mercy that will be supplied to you, that will facilitate your movement into your promise land. If God does not show you mercy in your process, you are not coming out. Many things you call process is now a delay. When the process becomes longer, delay is at work; however, it is by mercy you can overpower delay.

Ecclesiastes 9:11

[11]I returned and saw under the sun that — the race is not to the swift, nor the battle to the strong, nor bread to the wise, nor riches to men of understanding, nor favor to men of skill; but time and chance happen to them all.

In a race, the winner is the fastest runner; however, in life the

fastest runner is the one that God shows mercy. The reason you win in life is because God shows you mercy. Everyone winning in life is the one that God has shown mercy. Attempting to do things physically to rise fast is still running at a lower speed. When mercy shows up, you will move at the speed of God. In other words, for you to get out of the process fast, when mercy comes upon you speed, has come upon you. Mercy is the key to activating new things in the life of a person. When mercy comes, you become such individual that can overtake and takeover. Don't strive to rise in life, all you need is mercy. You won't rise in life because of your degree(s), connection and money. You will rise fast because God shows you mercy. Mercy is a reality that money cannot buy.

If you have degree(s), but lack mercy you won't rise in life – coming out of the process. You must trust God for His mercy, to come out of the process.

The person without degree but has mercy will never struggle to rise in life. Does that mean I am despising degree(s)? The answer is no. I always encourage people to have their degree(s). You need qualifications because they open door. Don't attempt to accumulate degree(s), ensure you get mercy. Your life will make sense when you have degree(s), money and mercy.

## **WHEN MERCY SHOWS UP IN YOUR LIFE**

Romans 9:16

[16]So then it is not of him, who wills, nor of him who runs, but of God who shows mercy.

Desiring to get out of the process amounts to nothing, without mercy. In fact engaging in many activities does not guarantee moving out of the process. It is not of him who wills or runs; it is of God's willingness. If you have the willingness to get

out of limitations, smallness and God is not willing you are not going to come out. When God wills to step into your matter, is an indication that you have received mercy. The real key is to you have the mercy of God. His mercy will get you out of your process fast.

The person who seeks connection here and there is such that wills and run. The person on the internet seeking job is such who wills and run. The one trying different relationship on who to marry is the one who wills and run. When mercy shows up in your life, the things other people pursue will begin to pursue you.

You must recognize the people God has shown mercy. When you connect with such people, mercy will flow into your life and the life of such individual will stir up desire in you to pray for mercy. When mercy shows up in your life, your spouse, helper, right connection will show up. Miracles become common when mercy shows up in your life. Many activities don't make you the winner in life; you need the mercy of God. It is only vision that has an appointed time. When you receive a vision there is always the time of manifestation; however, for your life there is no special or appointed time.

Luke 1:80

[80]So the child grew and became strong in spirit, and was in the deserts till the day of his manifestation to Israel.

The above scripture reveals the assignment of John the Baptist. His has an appointed time. The day of his manifestation is about his assignment. Time is not limited to "kairos" and "chronos"; however, there is a revelation superior to the kairos. When mercy shows up in your life, it will make anytime and every time, your time.

It is with mercy you flourish, every time. Every time becomes

your time, through mercy. Therefore, mercy influences time. Mercy will influence your time and chance. You are in delay, because mercy is delayed in your life.

## **THE TIME OF FAVOUR AND THE LORD MERCY**

Psalms 102:13

[13] You will arise and have mercy on Zion; for the time to favor her, yes, the set time, has come.

The mercy of the Lord facilitates your set time. Many keep waiting for appointed time while neglecting mercy. The time and chance that happened to men is the time of favour. The opportunity to show your knowledge, launch your vision, demonstrate your gift among others comes when your time shows forth; however, your time is dependent on the mercy you receive. When mercy shows forth, the time of favour will happen, and chance will be created in your life.

The substance of favour is different from the season of favour. You must be brought into the season of favour, before you manifest the substance of favour. Mercy influences the time of favour. It is the favour of God that brought you out of Egypt into the promise land. The proof that you are in the process, is that you have the favour of God upon your life. Therefore, favour of God gets you into the process, and the mercy of God will get you out of the process. Everyone on the way to the promise land, greatness, elevation and blessings, needs the mercy of God.

## **HOW TO OBTAIN THE MERCY OF GOD THROUGH PRAYERS**

Hebrews 4:16

[16] Let us therefore come boldly to the throne of grace, that we may obtain mercy and find grace to help in time of need.

The scripture reveals that you have found help in the time of need when mercy shows up in your life. You obtain mercy by coming boldly before the Lord, through prayers. You have to pray to God to obtain mercy.

The mercy you have received determines what you receive in certain time of need, in your life. The mercy of God facilitates help into your life. When you are going through certain pains in your life, what you need is mercy. Be such that goes to God in prayers, for mercy.

### ***BY SHOWING MERCY TO OTHER PEOPLE***

Proverbs 3:3-4

[3]Let not mercy and truth forsake you; bind them around your neck, write them on the tablet of your heart,

[4]And so find favor and high esteem in the sight of God and man.

Matthew 5:7

[7]Blessed are the merciful, for they shall obtain mercy.

You must be such individual that show mercy to those who need mercy. When others need your help be willing to help them. When people are going through some problems, be willing to help them. There are people who are helpless such as the imbeciles and disabled people; be willing to show mercy to them. When you show mercy to others God, will put in you what will make you happy and joyful. Also, be such that help those who offended you in the past. You obtain mercy you don't deserve, by helping others. You position yourself to obtain mercy when you show mercy to others. Position yourself to be helped, by showing mercy to others.

You cannot show mercy to anyone God is showing mercy to

and not position yourself for double portion of mercy. Anyone you see that God is willingly helping always be the first to join and help such. Be willing to help those who God is helping. Your life will become a wonder when you help those God is helping. Be willing to serve the people God is helping also.

### **YOU MUST BE SATISFIED EARLY WITH HIS MERCY**

Psalms 90:14(NKJV)

[14]Oh, satisfy us early with Your mercy, That we may rejoice and be glad all our days!

Psalms 90:14(Living Bible)

[14]Satisfy us in our earliest youth with your loving-kindness, giving us constant joy to the end of our lives.

Psalms 90:14(Amplified Bible)

O satisfy us with Your mercy and loving-kindness in the morning [now, before we are older], that we may rejoice and be glad all our days.

It is not enough to be satisfied with mercy; it must be early, in your life. You must trust God to show you His mercy, early. People are envious, jealous because they are not satisfied early with mercy. When you are not satisfied early with mercy, you will see the unqualified rising in life. You will see ordinary becoming extraordinary. You will see the poor becoming rich and advancing in life. Also, you will see people that are little growing mightily. You must trust God to satisfy you early in life.

You will come out of the process early when you are satisfied with mercy early. Your focus should be that God should get you out of your process in your earliest youth. Mercy will make “now” your time of favour. When mercy shows forth, your time of favour manifests. When your time of favour comes, you will be noticeable.

## **SIGNS OF THE TIME OF FAVOUR**

1. When your time of favour comes, you will be noticeable. The reason what you are doing is not noticeable is because your time of favour has not come.
2. In your time of favour, your news will spread.
3. In your time of favour, kings and princes will accept you, but much more you will sit with kings and princes
4. In your time of favour, whatever you offer will be the solution and answer to the need of people. If your time of favour has not come you will be offering the solution but people will not see it as solution. Whatever you offer, everybody will want to get it because they will see it as answer to their problem.
5. In your time of favour, people will show you special honour.
6. You will acquire properties by money and favour, in your time of favour. The money to get those properties will come your way.
7. Many will arise to help you, in your time of favour.
8. Everyone will just want you, in your time of favour. In other words, you become the delight of many.

You are in the process not because you lack favour upon you; you are in the process because your time of favour has not come. Mercy brings your time of favour, and brings you out of whatever process you are going through now. The way to obtain God's mercy is that you pray and show mercy. You need mercy in life, so that you can be satisfied early.

## THE APOSTOLIC AND PROPHETIC DIMENSIONS

### **ABUNDANCE IS A POSITION OF POSSESSION**

It must be established that the realm of abundance is a position of possession and plenty. This is the place you have things in surplus. There is nothing to possess in the wilderness. Possession is beyond houses, cars, clothes, gargets, among others.

### **THE CROSSING OF WATER BY THE ISRAELITE**

*The Israelite crossed two bodies of water, before they entered the promise land.*

The first water was the red sea. Moses led them through the red sea. The red sea is what you cross to get into your process. Moses was the Apostle that led the people out of the red sea.

The second river was Jordan. Joshua led the people of Israel through the Jordan. The river Jordan is what you cross to get into your promise. Joshua was the Apostle that led the people of the Jordan River.

The above illustration is the use of Prophetic symbols to

communicate the mind of God. Whatever process or promise you come into, you must have victory. In life as you advance, you have to know the river you are crossing.

### **WHAT RIVER AND THE EGYPTIAN REPRESENT**

River symbolizes situations. The red sea is the situation you went through to come into your process, which forms character and capacity in you. This situation can be in form of unpalatable things, troubles that limit the life of people. The other side of the red sea is wilderness not Canaan.

The wilderness is the process which you go through, that forms humility and integrity in you. After the Israelites crossed the Red Sea, they praised God. They sang praises to the Lord; Miriam and other women sang to the Lord. When you get over certain situations, you will praise, appreciate God and share testimony. Only for you to realize you have entered another situation that may seem challenging. When the Israelites crossed over the Jordan, they got into fighting straight.

Joshua 5:2-4

[2]At that time the Lord said to Joshua, "Make flint knives for yourself, and circumcise the sons of Israel again the second time."

[3]So Joshua made flint knives for himself, and circumcised the sons of Israel at the hill of the foreskins.

[4]And this is the reason why Joshua circumcised them: All the people who came out of Egypt who were males, all the men of war, had died in the wilderness on the way, after they had come out of Egypt.

The people that entered the promise land were people born in the wilderness. Many fathers and mothers died in the wilderness, yet Joshua and Caleb entered the promise land.

The Egyptian showing up at the red sea represents anything and anyone attempting to draw you back to where you have left or where you don't want to go. People, demonic forces that want you to go the direction they plan are symbols of the Egyptians. All they do is an attempt to get you backward. For instance, you want to travel out of the country and there is no resources and connection to execute this desire. You have just come across a red sea. The red sea within the context can also mean lack of resources. The situation you encounter at the point of execution is the red sea. When people start to discourage you from moving to your envisioned new state or travelling is a sign of the encounter with the Egyptian. The Lord always part the red sea.

### **THE DRY LAND**

There is a dry land in every red sea you encounter. The dry land is a way out of any situation, problem and challenge. Anytime you come across any situation you don't have to fight, you just need to pray and stand still to see what God will do for you.

Exodus 14:14

[14]The Lord will fight for you, and you shall hold your peace.”

There are things that happen by supernatural hand of God. There are things that happen by skills. You build bridges by skills, but you part the red sea by supernatural hand of God. Anytime you come into difficult situation, you have to pray to God for help. Your answer will come in the process of time. God answer prayers; never think that your prayers are not answered. Don't be discouraged; the answers will come in the process of time. What you have to do is to keep taking the instructions and actions God put in your heart.

When the Lord fights for you, He will fight the situation and anything that wants to bring you into bondage. When you come to the spot where you know that you are not where you are supposed to be, all you do is to pray to the Lord for what to do in such situation.

## **UNDERSTANDING THE JOSHUA OF YOUR GENERATION**

In every generation, there is a Joshua, to lead the people into the promise.

Joshua 1:2

[2] “Moses My servant is dead. Now therefore, arise, go over this Jordan, you and all these people, to the land which I am giving to them—the children of Israel.

The person God speaks to, to move people out of the process, is the Joshua of that generation. Only people who listen to such individual will enter the promise land. You must be such that hear and heed the instructions from the Joshua of your generation.

God speaks to all, but the truth must be established. God speaks to you for your personal life, not for a generation; however, God speaks to a Joshua, not for his personal life, but for a generation. Therefore, the question every generation should ask is that who is God speaking to now? The prophetic strategy for leading the entire land into the promise land is with the Joshua. God will not speak to everyone about a dispensation and generation. He identifies someone that He speaks to and expects others to listen. Those who will rise in that generation must listen to such individual. You must be such person that listens to the words, messages of the Joshua of your generation, regularly.

The priests are the teachers and pastors in the body, but the

Joshua has the strategy to take you out of the process into your promise, fast. The lifting and rising of men in any generation is achieved by God, through the Prophetic words He gives the Joshua of such generation.

Every Joshua has a Moses and always follows the instructions of the Moses. Joshuas receive instructions from God and consistently follow Moses.

### **THE JORDAN RIVER**

Jordan River is the kind of situation that wants to prevent you from entering into the promise. In your process, after you have prayed to God, listen to the instructions God will give, because you will encounter situation that will come your way that will show you are not going anywhere. When you get into prayers, listen to what the Lord will tell you. When you get into situation that seems you are not going anywhere, you don't call on human help; you run to God. Don't call on human help, to part the Jordan.

After you cross the Jordan, you will come across the wall of Jericho. The wall of Jericho represent laws, policies set in place by government, authority in your field, nation that may want to hinder you from rising in life and becoming what you want to become in life. You have to get strategy to sink all policies and structures that may want to affect you.

After you cross the Jordan, two things are important. The first is that you fight. The second important thing is that God fights for you. Exodus 14:14 says "The Lord will fight for you, and you shall hold your peace." God fights for you when you get into the process. Fighting is having the ability to overcome any hindrance that may want to come your way. As you enter into the promise, God will be working on your behalf, and you

also need to work. Your work is the aspect of executing certain actions that will make certain things to happen in your life.

## **THE REALM OF ABUNDANCE**

The realm of abundance is not about money. Even if you have money, it is for you to get things. The realm of abundance is for you to possess land.

Psalms 24:1

[1]The earth is the Lord's, and all its fullness, the world and those who dwell therein.

The earth belongs to God and everything in it, is abundance at work. God has more than abundance. He is the custodian of everything in the world. Therefore, just as God possess the earth, you must possess the land. Land within the context represents your heart and territory. Your territories are your spheres of influence. The realm of abundance is where you possess territories. If you have money, you have to move into possessing land; you can build houses, companies and structures on it. It should be in your mind now that you must possess the land. God took the people of Israel to their promise land to possess lands. You must have lands that are yours now.

Anywhere God has put in your imagination, is your land. The field you are in is your land. Your land can either be the field of medicine, law, academia, among others. Your land can be the world of politics. You have to take your land. Until you take your land, abundance will not come your way.

Joshua 10:41-42

[41]And Joshua conquered them from Kadesh Barnea as far as Gaza, and all the country of Goshen, even as far as Gibeon.

[42]All these kings and their land Joshua took at one time, because the Lord God of Israel fought for Israel.

All the above kings are representing five different nations. Joshua took them at once. Regardless of what you do, you should take five countries at once. Your business, influence, products, patronages must spread.

Joshua 13:1

[1]Now Joshua was old, advanced in years. And the Lord said to him: "You are old, advanced in years, and there remains very much land yet to be possessed.

There are still more lands to possess. This abundance you are celebrating is nice, but there are still more abundance that are yours that you have to fight to possess. You have to move now, to have your abundance.

### THREE FACTS THAT YOU MUST BEAR IN MIND

1. **You must know what represents your promise land.** You have to be specific. For instance, your promise land may be that your business will spread to three countries. Yours may be that you want to employ more workers and offering a service that fifty million Nigerians will benefit. If you go for everything in life, you get nothing. The purpose of being specific is to be directional.
2. **You must be ready to fight.** You must possess your land through fight. There are three ways you fight. First, you fight through prayers. Second, you fight through superiority of strategies. You don't win battles in life by strength, but by strategies. To take over a land you need strategy. What are the strategies you need now? They shall come by instructions from the Lord. Third, you fight through your actions. When you refuse to be hindered or stopped is a sign that you are fighting.

3. **God will fight for you.** God must open your eyes early to what He has given you. You must trust God that it will not be at old age that He will speak to you about abundance; God should speak to you early. Your land is not far from you and your land is not difficult to take. Any land God has given you is not difficult to take. All you need is for your eyes to be opened.

Joshua 1:3 says “Every place that the sole of your foot will tread upon I have given you, as I said to Moses.” God will always give you things before He moves you there to possess. You need to fight to get the things given by God.

### **ON THE MATTER OF ACTION**

Joshua 1:9

[9]Have I not commanded you? Be strong and of good courage; do not be afraid, nor be dismayed, for the Lord your God is with you wherever you go.”

When it comes to the matter of actions, you need to be courageous. Courageous people are people of dominion. You cannot have dominion when you are not courageous. There are some offices you need to enter by boldness. For instance, you want to meet the president of your country and you pray to God for access. The second thing is to sit down to think on how you get to President. You sit down to get superior strategies on who you have to speak to first, what link you have to go through, how to boycott certain protocol. Having gotten the superior strategies you have to make the move; however, it takes courage to make move.

There is thin difference between faith and courage. Faith is when something seems impossible and you believe that it

will work out and happen; Courage is when you are not sure that something will work out and you just make the move. You need to be courageous, to be able to have control in the realm of abundance. Courage will make you to confront people in their offices, enter certain offices and make certain demands.

If you are courageous, you will make the move and take the action. You cannot fight with actions, if you are not courageous. Courage is natural. You don't pray for courage; you develop it by taking actions. Many people are not courageous. They think if they make the move, it will not be possible. Courage says "I will go for this thing and I will have it."
